Failure to do so will result in the team waiving the right for that game to protest any player identity. This will be supervised by one of the game officials. Any team not presenting its player identification cards at the time the game sheet is handed to the match officials, the team will be reported and incur a fine. See Breach of Rules.

10.1.8 The CSA Referees Committee is responsible for assigning all game officials.

10.2 Duration of Play

10.2.1 The duration of play and size of game ball shall be as follows:

played as noted in 10.2.1. If the score is still tied at the end of extra time, the winner shall be decided by the taking of kicks from the penalty mark, in accordance with the FIFA Laws of the Game.

10.2.5 For Regional/National Club Championships on the final day, all non-medal games that are tied at the end of regulation time shall go directly to the taking of kicks from the penalty mark, in accordance with the FIFA Laws of the Game.

10.2.6 As specified in these Rules there is no extra time for Masters/Classics Regional Club Championships and on the final day all games that are tied at the end of regulation time shall go directly to the taking of kicks from the penalty mark.

10.3 Team Uniforms

10.3.1 Each team must present their playing uniforms (jersey/shorts/socks) for both home and away at the pre-championship meeting for color clarification. Any team changing from the agreed upon team colors without the permission of the CSA Rep/CSA Supervisor of Officials shall be subject to a fine. Teams are to bring their 2nd set of playing uniforms to their games. Failure to comply will result in a fine. See Breach of Rules.

10.3.2 All playing uniforms must be numbered.

10.3.3 Teams shall dress in the colours agreed to at the pre-championship meeting. The home team (the team listed first on the schedule) shall change colours if necessary. All teams must have an alternate set of uniforms (jersey/socks) at the championship. Failure to have an alternate will result in a fine. See Breach of Rules.

10.3.4 Goalkeepers must wear playing uniforms that distinguish them from the other players and the match officials.

10.3.5 Players are not permitted to wear anything that is dangerous to themselves or other players. NO jewelry: that includes rings, bracelets (except medical alert bracelets — which must be either made of Velcro or similar soft material, or covered with a sweatband), earrings, necklaces, other visible body piercing, etc. The practice of taping jewelry is not acceptable.

10.3.6 The CSA Cast Policy will apply. Prior to the pre-championship meeting any player wearing a cast or who intends to wear a brace or medical support is to be presented for inspection. The CSA Supervisor of Officials will assess the player’s eligibility to play in accordance with the Laws of the Game.

10.3.7 If undershorts or tights are worn, they must be the same main color as the shorts. If undergarments are worn, the color of the sleeve must be the same color as the main color of the sleeve of the jersey. Players not complying will not be allowed to enter the field until the match officials are satisfied that the equipment conforms to the Laws of the Game.

Socks: if tape or similar material is applied externally it must be the same colour as
the part of the sock it is applied to.

10.3.8 The CSA Championship crests must be on both the home and away jerseys. If a team has a 3rd set of uniforms the sponsor crest must be on these as well. It is the responsibility of team officials to inform their Provincial/Territorial Association of such and to request additional crests from the CSA. Failure to comply will result in a fine. See Breach of Rules.

10.3.9 In National Club Championships, any playing uniform that has a sponsor logo that has not been approved by the Canadian Soccer Association Business Development Department must have the logo covered or removed (this does not apply to the jersey supplier such as Umbro, etc). Failure to comply will result in a fine. See Breach of Rules.

10.4 Substitutions

10.4.1 In Club Championships a maximum of five (5) substitutions shall be allowed in the whole game (including any extra-time). Unlimited substitutions may be made at half-time, or at full-time before any extra time. A player who has been substituted is eligible to re-enter.

10.4.2 In Masters/Classics Regional Championships there will be unlimited substitutions.

10.5 Discipline

10.5.1 The match officials will retain, and hand to the CSA Rep, player identification cards for any players who have been dismissed in the game.

10.5.2 The CSA Rep will retain possession of any suspended players’ photo I.D. Card until the suspension has been served.

10.6 Format

10.6.1 The format for each championship shall be determined in advance by the CSA Competitions Committee and set out in the Championship Schedule.

10.6.2 All teams shall be seeded on the basis of their final standing in the previous year’s championship. When a host team is required in National/Regional Championships, the team shall be seeded in last position and shall be eligible for medals. The seeding for the following year will exclude the host team.

10.7 Tie-breaking

10.7.1 Where a game is abandoned because of floodlight failure, weather or any cause beyond the control of the participating teams and more than seventy percent (70%) of the game has been played then the result at the time of abandonment will be recorded as the final score.

10.7.2 Where a game is abandoned as a result of a discipline issue from one of the
competing teams the matter shall be reported to the CSA Rep and he/she will convene a disciplinary hearing and decide the appropriate course of action.

10.7.3 Where a game is abandoned under 10.7.1 and the score is tied but the championship requires a result, this winner will be determined by the toss of a coin.

10.7.4 In all championships (or parts thereof) organized on a knock-out basis, all games shall be played to a decision. If at the end of regulation time, the score is a tied, kicks from the penalty mark will be used to determine a winner.

10.7.5 In all competitions (or parts thereof) organized on a round-robin basis all games shall be played to regulation time only, except as specified below.

10.7.6 In any three (3) team round robin, whether part or all of the championship, the third game shall be played to a decision in accordance with this rule, if the team not participating has zero points, has been suspended, or has withdrawn. In the event that the score is tied after regulation time, the taking of kicks from the penalty mark will be used to determine the winner. The team that eventually loses the game shall be awarded one point.

10.7.7 Three (3) points shall be awarded for a win and one (1) point for a tie (including the taking of kicks from the penalty mark). Standings shall be determined by points won at the completion of the round robin, with tie-breaking as outlined in Rule 10.7.8.

10.7.8 The following criteria shall be used to determine the final standings:

(a) Most points in all group matches

(b) If two (2) teams are tied in points in all group matches:

(i) Greater number of points in matches between the teams concerned (head to head competition).

(ii) Results for all group matches.

(iii) Standings shall be determined by:

- Greater goal difference in all group matches.
- Greater number of goals scored in all group matches.

Players under suspension are not eligible to participate; however this does not constitute the serving of any disciplinary suspension already awarded.

(c) The following must be used to completion if three (3) teams are tied in points in all group matches:

(i) Greater goal difference in matches between the teams concerned.

(ii) Greater number of goals scored in all matches between the teams concerned.

(iii) Greater goal difference in all group matches.

(iv) Greater number of goals scored in all group matches

CLOSING COMMENTS

The majority of inappropriate off-field conduct can be defined as harassment; and therefore, is covered under the CSA Harassment Policy. However, it is equally important to recognize that there are numerous other unacceptable situations that may arise at a championship or with the soccer delivery system that do not constitute harassment (e.g. damage of another’s personal or commercial property, rowdiness within a public area, inappropriate attire, inappropriate or offensive language not directed at anyone).
