

Canada Soccer Grassroots Soccer Fests

Provincially affiliated soccer clubs may apply by filling out the online application form that will open in late-February.

Once your application has been received it is reviewed and your club then must be approved by your provincial Member Association prior to confirming your participation in the program.

If your application has successfully been granted you will receive a notice, via email, from Canada Soccer detailing your grant and the conditions, you will be required to sign this and email or fax it back.

In addition to this, a conference call will be arranged to review your application and the program, we will also address any questions you may have during this call.

Approximately two weeks from your festival date we will ship your festival kit to you.

Your festival kit includes a set of banners, which are to be returned as soon as your festival is completed, your first installment of your grant, participation certificates as well as other items provided by our partners. In order to receive your second grant installment, you are required to return the complete set of banners, fill out an evaluation form which can be found online and submit at least 10 event photos that clearly display our partners' banners.
