7.4 Where a match is not played, except in the case of force majeure recognised by Canada Soccer Organising Committee, the Match Commissioner shall be presented with the facts. The Match Commissioner will determine if/when the match can be played and if any disciplinary action needs to be taken.

7.5 A Club must arrive at the venue for its scheduled match no later than 50 minutes before the designated kick-off time.

7.5.1 Failure to do so, without just cause, may result in the Club forfeiting the game or expulsion from the competition and all its scheduled matches declared null and void. The PTSO will be required to provide an explanation of the actions of its Club to Canada Soccer, and may be subject to sanction.

7.6 Where a match is abandoned because of floodlight failure, weather, or any outside influence, and more than 70 percent of the match has been played, the result at the time of abandonment will be recorded as the final score.

7.6.1 If the score is tied and the competition requires a result, the winner will be determined by the toss of a coin, which will be conducted by the General Coordinator in the presence of the Match Commissioner and the respective PTSO Representatives.

7.7 Where a match is abandoned because of floodlight failure, weather, or any outside influence, and less than 70 percent of the match has been played, the match shall recommence with the same score at the minute at which play was interrupted. The following principles shall apply to the recommencement of the match:

7.8 Where a match is abandoned because of floodlight failure, weather, or any outside influence on the final day of the competition, regardless of how much of the match has been played, the result at the time of abandonment will be recorded as the final score. If the score is tied the winner will be determined by the toss of a coin, which will be conducted by the General Coordinator in the presence of the Match Commissioner and the respective PTSO Representatives.

7.9 Where match(es) is(are) cancelled or cannot take place because of adverse weather conditions, Canada Soccer will determine the subsequent action and outcome of the competition. This decision will be final and binding and not subject to appeal.

7.10 Where a match is abandoned as a result of a discipline issue from one of the competing Clubs, the matter shall be reported to the Match Commissioner who will convene a disciplinary hearing to decide the appropriate course of action. On the final day such issues will be referred to the Canada Soccer Disciplinary Committee for its action.

7.11 Where a Club forfeits a match, it is considered to have a loss of 3-0, unless the goal difference on the pitch is greater than 3-0, in which case the score at the time of abandonment is upheld. The Canada Soccer Competitions Committee may take further action as deemed appropriate.

10.4 Coaching qualifications are set annually by the Canada Soccer Competitions Committee in consultation with Canada Soccer Technical Department. Please refer to your PTSO for the current requirements.

11. TEAM DELEGATION LIST (PLAYERS & OFFICIALS)

11.1 Each PTSO will ensure that Canada Soccer can announce a Club's qualification to the Masters Championship on the day that the Club qualifies. Within five days of qualification, the PTSO will provide:

- 11.1.1 Club Contacts, specifically the name(s) and email(s) of the person(s) that will be responsible for registering the Team Delegation List on Canada Soccer's competitions platform (COMET);
- 11.1.2 Club President contact, specifically the name and email of the Club President;
- 11.1.3 a copy of the Club's registered team roster for the Masters Championship division in which they have qualified.

11.2 Within 10 days of the Club's qualification, the Participating Club must complete the following requirements for participation in the Masters Championship:

- 11.2.1 Complete Canada Soccer's Club Participation Agreement;
- 11.2.2 Ensure that the Club's registered players from their qualifying competition have been added and linked to their "Club" on COMET for the Masters Championship, including each player's details and headshot image;
- 11.2.3 Ensure that all Team Officials (coaches and staff) from their qualifying competition have been added and linked to their "Club" on COMET for the Masters Championship, including each person's details, headshot image, and (when applicable) coaching certification number as well as CCES certification;
- 11.2.4 Provide team names (including leagues/divisions and age categories) for any teams or reserve teams within the Club structure from which potential call-up players may be considered.

11.3 At 21 days before the Pre-Competition Meeting for the Masters Championship, all Clubs must submit their Team Delegation List and uniform colours (hereinafter: "Team Kit Colours") on COMET for the Masters Championship, specifically:

- 11.3.1 From the list of players linked to the "Club" on COMET, select a minimum of 15 players (including at least one goalkeeper) for their "Team" participating at the Masters Championship. Clubs can select maximum 21 players for the Masters Championship;
- 11.3.2 From the list of Team Officials linked to the "Club" on COMET, select a minimum of two officials (including at least one official from the same gender as the division in which their players are competing) with a maximum of five Officials for their "Team" participating at the Masters Championship;
- 11.3.3 Through their "Team" page on COMET, show at least two variations of their Team Kit for outfield players (one combination with a

light colour for the shirts and socks; another combination with a dark colour for the shirts and socks) as well as at least three variations of their Team Kit for goalkeepers (they must wear colours that are distinguishable from the outfield players).

11.4 By 14 days before the Pre-Competition Meeting for the Masters Championship, each PTSO must approve the eligibility of the Team Delegation List for the Masters Championship. Each Club must also identify each player's official Team Kit Number for the Masters Championship so that the same Team Kit Number is worn by the same player across entire week of the Masters Championship. Within the last 14 days before the Masters Championship, any and all changes may only be made with the approval of Canada Soccer.

11.5 Players and Team Officials from the Team Delegation List who are indicated as present on the match sheet must occupy a position in the technical area unless dispensation has been granted by the Match Commissioner.

12 MATCH SHEETS

12.1 Clubs must submit their completed match sheets through Canada Soccer's competitions platform (COMET) no later than 45 minutes prior to the scheduled kick-off time. Once submitted, the roster is locked and no changes will be permitted to the match sheet unless approved by the General Coordinator or designate.

12.2 Clubs will list their players and Officials on each match sheet through COMET (Clubs must identify a starting goalkeeper and a starting captain for each match).

12.3 Each Club will be provided six substitution slips per match which may be used in the following manner: one "Half-Time" slip which may be used only at half-time for an unlimited number of substitutions; five regular slips that may be used during regulation time for five substitutions (one substitution per slip), but not after the full-time whistle in matches to be decided by a penalty shootout.

12.3.1 Eligible players may re-enter the match even after a previous exit through substitution, but may not re-enter if they were substituted out with a suspected concussion.

12.4 In accordance with the Laws of the Game, each Club may also use a "Concussion" substitution slip. Each Club will be permitted to use a maximum of one "Concussion" substitution in a match, regardless of the number of substitutions already used in the match. When a "Concussion" substitution is used by one Club, the opposing Club has the option to use an additional substitution for any reason.

12.5 If any of the 11 starting players submitted on the match sheet are not able to begin the match due to injury or illness, they may be replaced by any of the eligible substitutes as long as the General Coordinator or Assistant General Coordinator is officially informed prior to kick-off. The General Coordinator or Assistant General Coordinator will advise the opponent as well as the Match Officials. The Club may not add an additional substitute to the Match Sheet.

12.5.1 Further to the above, any injured or ill player who is removed from the start list will no longer be eligible to take part in the match, and thus cannot be used as a substitute at any time during the match. Such a change will not reduce the number of official substitutions that may be made by a Club during the match.

12.5.2 Although no longer eligible to be used as a substitute, the injured or ill player who was removed from the start list must be seated on the substitutes' bench unless medical attention is necessary. The player will be subject to the authority of the Match Officials and will be eligible for doping control selection.

12.6 Only the players who were identified on the official match sheet submitted to the General Coordinator/Assistant General Coordinator or were confirmed as a warm-up injury/illness replacement player, may start the match. In the case of any discrepancies of players on the pitch at the beginning of a match, the matter will be submitted to the Match Commissioner.

12.7 The minimum number of players required to start a match is seven, one of whom must be a goalkeeper.

12.8 If a player, from a Club with only seven players, leaves the field of play to receive medical attention, the match will be suspended until this player has received treatment and is able to return to the field of play. If the player is unable to return, the match is abandoned and the Club forfeits the match in accordance with Article 7.11. A report will be submitted by the referee to the Match Commissioner.

12.9 If a player from a Club with only seven players is sent from the field of play for a disciplinary offence, the match is abandoned. The Club causing the abandonment will forfeit the match and a report will be submitted by the referee to the Match Commissioner. See Article 7.11.

12.10 Players serving a suspension are not permitted to sit in the technical area.

12.11 A Club that is found guilty of fielding an ineligible player for any reason shall forfeit the match in accordance with Article 7.11.

13. FORMAT AND STRUCTURE OF THE COMPETITION

13.1 The format for each competition shall be determined in advance by the Canada Soccer Competitions Committee and set out in the match schedule.

13.2 For the 2025 Women's Masters Championship, Clubs will be seeded based on their PTSO's highest final ranking in that same division of the 2024 Women's Masters Championship. For the 2025 Men's Masters Championship, Clubs may be seeded via a draw, although should the format feature two or more groups, the 2024 Western and Eastern regional winners will be seeded in separate groups.

13.2.1 Women's Masters Championship seeding based on the 2024 final ranking will be (in order): AB, QC, ON, MB, BC;

13.2.2 Men's Masters Championship seeded provinces based on the 2024 regional competitions will be: BC and QC.

13.3 Canada Soccer may include a "second" Club from any PTSO for any division of the Masters Championship. Canada Soccer will prioritise the addition of a "second" Club from the hosting location's PTSO. When a "second" Club from a PTSO not hosting the Masters Championship is included, it will be the second-place Club or runners up in the PTSO's declared qualifying competition.

13.3.1 Only Clubs from a declared PTSO qualifying competition with four or more teams may be considered for inclusion as a PTSO's "second" Club in the Masters Championship;

13.3.2 For the purposes of seeding Clubs in any division of the Masters Championship, the "second" Club(s) will be seeded below or after all the "first" Clubs.

13.4 Canada Soccer may, at its discretion, revoke the inclusion of any Club. If either the "first" or "second" Club from a PTSO is unable to compete, the PTSO may request permission from the Canada Soccer Competitions Committee to enter another Club. The decisions taken by the Canada Soccer Competitions Committee will be final, binding, and not subject to appeal.

14. DURATION OF PLAY, STANDINGS & TIE-BREAKING CRITERIA

14.1 The duration of play and size of match ball shall be:

AGE GROUP	REGULAR	EXTRA TIME	SIZE OF FOOTBALL	HALF TIME

14.3 Clubs will be presented a 30-minute warm-up period on the pitch before each match, subject to the condition of the pitch. The warm-up period will be monitored and any Club abusing the privilege will be subject to sanction. 14.4 In the Masters Championship organised with a round-robin format for either four or five Clubs per group, three points will be awarded for a win and one point for a draw during the group phase. All matches organised in these groups will be played to regulation time only. Group standings shall be determined by points won at the completion of the round robin.

14.5 In the Masters Championship organised with a round-robin format of three Clubs per group, three points will be awarded for a win and one point for a draw. Matches organised in these groups will be played to regulation time, unless the last match of a group has mathematically been determined as a head-to-head playoff.

14.6 In the last match of a round-robin format with three Clubs, if the Club not participating has either six points (guaranteed first place), zero points (guaranteed last place), has been suspended, or has withdrawn from part or all of the competition, then that last match becomes a playoff match that must be played to a decision.

14.6.1 In that playoff match, if the score is tied at the end of regulation time, the match will go straight to penalties in accordance with the Laws of the Game.

14.7 The following tie-breaking criteria shall be used to determine standings:

- 14.7.4 When penalties are required for a tie-breaking scenario, players under suspension are not eligible to participate. In such a case, the scenario does not constitute the serving of any disciplinary suspension already awarded.

14.8 For all matches that require a decision (including knockout, playoff, consolation, ranking and placement matches), if the score is tied after regulation time, the match will go straight to penalties in accordance with the Laws of the Game.

15. EQUIPMENT

15.1 Each Club shall have two sets of Team Kits (one “light” combination with a light colour for the shirts and socks; one “dark” combination with a dark colour for the shirts and socks). Each player shall be identified by the same number on all sets of Team Kits.

15.1.1 All Clubs must bring both the “light” Team Kit and “dark” Team Kit to every match;

15.1.2 All Clubs must bring at least two additional outfield shirts (one “light” and one “dark”) that either has no number or has a number not allocated to any players on the Team Delegation List (in case an outfield player unexpectedly needs to switch their shirt because of a blood and/or damage to the shirt).

15.3.1 Clubs who fail to wear the uniform number registered on the Team Delegation List without the approval of the General Coordinator will be subject to sanction.

15.4 During the match, substitutes must wear bibs of a different colour than the players on the pitch. Team Officials must also wear a colour different from the colours of the outfield players on the pitch.

If some or all of the match is expected to be played under floodlight conditions, the floodlights should be switched on before the warmup period.
