AIRPORT ARRIVALS

Teams will be met at the airport by a volunteer staff member and escorted to the bus pick-up area. Teams may be paired with another team arriving at a similar time.

The Local Organising Committee will provide arrival and departure support at Charlottetown Airport (YYG).

TRANSPORTATION ON MATCH DAYS

All teams will be picked up from their hotel to ensure arrival at the competition fields between 60-90 minutes prior to the kick-off time. Travel time from the team hotel to the match field is approximately 10-12 minutes (detailed plans will be shared before the group phase).

Depending on your location, the bus will LEAVE the hotel between 60-90 minutes before your team's start time. Teams should be at the designated location 10 minutes prior to their departure. Teams will be paired together when traveling to the match fields; so, the bus may have more than one stop between multiple hotels.

Buses will be identified so that each team gets on the correct bus (look for a "team card" positioned near the front window of the bus). It is critical that teams board the correct team bus (please DO NOT board another team's bus for any reason). After your match and cool down (or as per your pre-assigned departure time), please proceed to the pick-up area. As a kind reminder, your bus needs to maintain their schedule so that other teams are not left waiting.

TRANSPORTATION PLAN

Coach Atlantic will supply transportation. Transportation services are provided for the following:

To / from the airport

To / from one training session

To / from all matches
To / from ceremonies (if required)

To manage the overall event logistics, the cooperation of teams is critical. If you **DO NOT** require transportation, please email Andrew MacAdam at agmacadam@gmail.com **by 12 September 2025**

Pick up / drop off locations will be at the main entrance of team hotel.

Teams are expected to be at the pick-up location 10 minutes prior to departure. Buses are not able to wait for teams or players and will be instructed to leave at their scheduled time.

Teams and staff are not permitted to use other buses to attend additional matches. If you would like to watch matches, you will need to coordinate your own transportation.

TRANSPORT COMMUNICATION PROTOCOL

All transportation has been coordinated between the Local Organising Committee and Coach Atlantic.

If a team has a transportation question, please get in touch with Andrew MacAdam by: Email at: agmacadam@gmail.com

A detailed transportation schedule, including pick-up and departure times, will be provided in early October. The Local Organising Committee will also provide an update each evening for the following day (starting 8 October).

TRANSPORTATION FOR TRAINING

Teams that book their (optional) one official training session may also be provided bus transportation to that training, with note that teams are dropped off five minutes before the training time and picked up immediately following the training time.

Optional training sessions can be booked on 7 and 8 October at Winsloe Complex from 09.00-19.30 local time. Training sessions can be booked by contacting Kyla Savidant at programcoordinator@peisoccer.com. Times will be accommodated on a first-come, first-serve basis.
