11.4 At 22 days before the Pre-Competition Meeting for the PDP Championship (by Monday 10 August 2026 at 15.00 of the Club's local time zone), or within five days after the Club's qualification to the PDP Championship, all Clubs must submit their Team Delegation List for the PDP Championship, specifically:

- 11.4.1 From the list of players linked to the "Club" on COMET, select a minimum of 16 players (including at least one goalkeeper) for their "Team" participating at the PDP Championship. Clubs can select maximum 20 players for the PDP Championship;
- 11.4.2 From the list of Team Officials linked to the "Club" on COMET, select minimum of two officials (including those from the same gender as the division in which their players are competing) with a maximum of six Team Officials for their qualified "Team" participating at the PDP Championship;

11.5 By 14 days before the Pre-Competition Meeting for the PDP Championship (by Tuesday 11 August 2026), or within seven days after a Club's qualification, each PTSO must approve the eligibility of the Team Delegation Lists submitted for the PDP Championship.

- 11.5.1 Each Club must also identify each player's official Team Kit Number for the PDP Championship so that the same Team Kit Number is worn by the same player across the entire week of the PDP Championship. Within the last 14 days before the PDP Championship, any and all changes may only be made with the approval of Canada Soccer.

11.6 Eligible players and Team Officials from the Team Delegation List who have received Canada Soccer accreditation badge and are indicated as present on the match sheet must occupy a position in the technical area unless dispensation has been granted by the Match Commissioner.

11.7 At the PDP Championship, all members of the Team Delegation List must wear their Canada Soccer accreditation badge starting from before arrival at all competition venues (including any official transportation to the stadiums and

fields). All members of the Team Delegation List must also wear their Canada Soccer accreditation badge to any official functions and within any official spaces, including those in and around all areas of the official team hotel or venue.

12. MATCH SHEETS

12.1 Clubs must submit their completed COMET Teamsheet (also known as their match sheet or starting lineup) through Canada Soccer's competitions platform no later than 45 minutes prior to the match's scheduled start time. Once submitted, the lineup is locked and no changes will be permitted to the match sheet unless approved by the General Coordinator or designate.

12.2 Clubs will list their players and Officials on the COMET Teamsheet including one starting goalkeeper and one starting captain).

12.3 Each Club will be provided six substitution slips per match which may be used in the following manner: one "Half-Time" slip which may be used only at half-time for an unlimited number of substitutions; five regular slips that may be used during regulation time for five substitutions (one substitution per slip), but not after the full-time whistle in matches to be decided by a penalty shootout.

12.3.1 Eligible players may re enter the match even after a previous exit through substitution but may not re-enter if they were substituted out with a suspected concussion.

12.4 In accordance with the Laws of the Game, each Club may also use a "Concussion" substitution slip. Each Club will be permitted to use a maximum of one "Concussion" substitution in a match, regardless of the number of substitutions already used in the match. When a "Concussion" substitution is used by one Club, the opposing Club has the option to use an additional substitution for any reason.

12.5 If any of the 11 starting players submitted on the COMET Teamsheet are not able to begin the match due to injury, illness or any reason whatsoever, they may be replaced by any of the eligible substitutes as long as the General Coordinator or Assistant General Coordinator is officially informed prior to kick-off. The General Coordinator or Assistant General Coordinator will advise the Match Officials; the Fourth Official will advise the opponent.

12.5.1 Further to the above, any player who is removed from the start list will no longer be eligible to take part in the match, and thus cannot be used as a substitute player at any time during the match. Such a change will not reduce the number of official substitutions that may be made by a Club during the match.

12.5.2 Although no longer eligible to be used as a substitute, the player who was removed from the start list must be seated on the

substitutes' bench unless medical attention is necessary. The player will be subject to the authority of the Match Officials and will be eligible for doping control selection.

- 12.5.3 If the Club believes a player should be removed from the starting lineup but would still like to feature the player later in the match, the Club may start the match without the player and then make the tactical decision to use one of their official substitutions after kick off.

12.6 Only the players who were identified on the official match sheet submitted through COMET (or submitted to the General Coordinator or Assistant General Coordinator) or were confirmed as a warm-up injury/illness replacement player, may start the match. In the case of any discrepancies of players on the pitch at the beginning of a match, the matter will be submitted to the Match Commissioner.

12.7 The minimum number of players required to start a match is seven, one of whom must be a goalkeeper.

12.7.1 After a team starts the match with only seven players, if they are further reduced to less than seven players at any point for any reason including medical attention, the match will be suspended until the team fields seven players;

12.7.2 Within 30 minutes of the match being suspended, if the team is unable to proceed with seven players, the match is abandoned and the Club forfeits the match in accordance with Article 7.11. A report will be submitted by the referee to the Match Commissioner;

12.7.3 If a player from a Club with only seven players is sent from the field of play for a disciplinary offence, the match is abandoned. The Club causing the abandonment will forfeit the match and a report will be submitted by the referee to the Match Commissioner in accordance with Article 7.11.

12.8 Youth-aged players must serve their suspension by sitting in a designated position in the technical area by or on the team bench (the suspended player must wear a bib as determined by the General Coordinator). This designated position is subject to approval of the Match Officials.

12.8.1 Suspended persons, including those sitting in the technical area, may not take any part in the match, which includes any unwarranted engagement with Match Officials, opposing players, or Team Officials. Suspended persons remain subject to the authority of the Match Officials.

12.9 A Club that is found guilty of fielding an ineligible player for any reason shall forfeit the match in accordance with Article 7.11.

13. FORMAT AND STRUCTURE OF THE COMPETITION

13.1 The format for each competition shall be determined in advance by the Canada Soccer Competitions Committee and set out in the match schedule.

13.2 For the 2026 PDP Championship, each PTSO will be ranked in each division based on their highest final ranking in that division from the 2025 PDP Championship.

2025 Boys' PDP U-17 Cup: ON QC AB BC

2025 Girls' PDP U-17 Cup: ON BC QC AB

2025 Boys' PDP U-15 Cup: ON QC BC AB

2025 Girls' PDP U-15 Cup: QC ON BC AB

13.3 Clubs from the same PTSO will not be seeded in the same group for the round robin stage. In an eight-Club format with four Clubs in each group, the PTSO's "second" Club will be seeded into the opposite group of the "first" Club.

14. DURATION OF PLAY, STANDINGS & TIE-BREAKING CRITERIA

14.1 The duration of play and size of match ball shall be:

14.2 Teams may be provided a 30-minute warm-up period on the pitch before each match, subject to the schedule and condition of the pitch. The warm-up period will be monitored and any team abusing the privilege will be subject to sanction.

14.2.1 Canada Soccer may, for any reason related to the schedule or the condition of the pitch, adjust, shorten and/or cancel the warm-up period.

14.3 In a three-team group whereby each team plays each other once (total three matches with each team playing two matches), group standings will be determined on points accumulated. Any match in this group phase that is even after regulation time will head straight to a penalty shootout.

- 14.3.1 Three points will be awarded for a win (in regulation time), one point will be awarded to each team for a draw, and an additional point will be awarded for the winner of a penalty shootout;
 - 14.3.2 If teams are tied on points at the completion of the group phase, then the tie-breaking scenario outlined in 14.5 will be used to determine the group.
- 14.4 In a group with four or more teams whereby each team plays each other once, group standings will be determined on points accumulated. All matches in this group will be played to regulation time only.
- 14.4.1 Three points will be awarded for a win and one point will be awarded for a draw;
 - 14.4.2 If teams are tied on points at the completion of the round-robin group phase, then the tie-breaking scenario outlined in 14.5 will be used to determine the group standings.
- 14.5 In any group phase where each team plays each other once, the following tie-breaking criteria shall be used to determine standings:
- 14.5.1 If two teams are tied on points after all matches concerned, then:
 - 14.5.1.1 Greater number of points in the match between the teams concerned (head-to-head competition);
 - 14.5.1.2 Greater goal differential in all group matches (goals scored minus goals conceded);
 - 14.5.1.3 Greater number of goals scored in all group matches;
 - 14.5.1.4 Drawing of lots to determine ranking at a time and place decided by the Match Commissioner.
 - 14.5.2 If three or more teams are tied on points after all group matches, then only the following tie-breaking scenario will be used to rank those teams:

 - 14.5.2.2 Greater number of goals scored in all matches concerned between the three (or more) teams;
 - 14.5.2.3 Greater goal differential in all group matches;
 - 14.5.2.4 Greater number of goals scored in all group matches;
 - 14.5.2.5 Drawing of lots to determine ranking at a time and place decided by the Match Commissioner.
- 14.6 In any other group format or parts of the PDP Championship whereby points will be used to determine standings or rankings, as long as those teams have played the same number of matches, then all results from the group, knockout and playoff matches will be counted.
- 14.6.1 In a group format where each team does not play each opponent in the round, any match that is even after regulation time will head straight to a penalty shootout.

- 14.6.2 In any scenario under this article, three points will be awarded for a win (in regulation time), one point will be awarded to each team for a draw, and an additional point will be awarded to the winner of a penalty shootout;
- 14.6.3 If teams are tied on points at the completion of the round, then the following tie-breaking scenario will be used to determine the ranking or standings:
 - 14.6.3.1 Greater goal differential in all matches (goals scored minus goals conceded);
 - 14.6.3.2 Greater number of goals scored in all matches;
 - 14.6.3.3 Most wins in regulation time across all matches (excluding the penalty shootout);
 - 14.6.3.4 Drawing of lots to determine ranking at a time and place decided by the Match Commissioner.

14.7 For any match that requires a penalty shootout, penalties will be taken in accordance with the Laws of the Game.

- 14.7.1 When penalties are required for a tie-breaking scenario, players under suspension are not eligible to participate. In such a case, the scenario does not constitute the serving of any disciplinary suspension already awarded.

22.3 The referee must complete their report through the Canada Soccer competitions platform (COMET) at the playing venue immediately after the match. The report will be complete once the match has been set to “Played”. On the report form, the referee must note all occurrences of significance including goals, misconduct of players leading to caution or expulsion, unsporting behaviour or misconduct by Team Officials or spectators, and any other incident happening before, during and after the match in as much detail as possible.

22.4 The decision of Canada Soccer Referees Committee is final and binding and not subject to appeal.

22.5 Match assessors, where appointed, must complete the online Incident Report Form for all matches.

23. LAWS OF THE GAME

Except where provided for in these Regulations all matches shall be played in accordance with the Laws of the Game in force at the time of the PDP Championship and as laid down by the International Football Association Board. In accordance with IFAB direction, in case of any discrepancy in the interpretation of the translations of the Laws of the Game, the English version shall be authoritative.

24. CALL-UP PLAYERS, RETURNING PLAYERS & LATE INJURY REPLACEMENTS

24.1 Club may request permission to call up (or pick up) players who might not otherwise be eligible within the deadlines set below. These requests must be submitted in writing on the appropriate form to their respective PTSO. Regardless of the decisions taken by the PTSO or the Canada Soccer Call-Up Panel, the final Team Delegation List must be separately approved by Canada Soccer.

24.1.1 A Club may only call up a player who is eligible to participate in a PTSO's PDP standards-based league as outlined in Article 9.1.

24.2 Clubs may call up a maximum of three players to replace unavailable players already registered with the Club but who are unable to take part in the PDP Championship. Players called up from the Club's approved team(s), as submitted to Canada Soccer when the Club qualified, may be approved by the

PTSO in accordance with the competition Regulations. The PTSO must confirm any call-up requests to Canada Soccer when the Team Delegation List is submitted on COMET.

24.2.1 Initial Call-up requests must be submitted to the PTSO a minimum of 21 days prior to the start of the PDP Championship. The Canada Soccer Call-Up Panel will meet on select dates before the PDP Championship to consider any requests that can't be approved by the PTSO, including players that may need to be called up (or picked up) from a team not approved by Canada Soccer at the time of the Club's qualification to the PDP Championship.

24.3 Clubs may call back returning players who helped the Club qualify for the National Championships but afterwards registered with or transferred to a new Club during or after the 2025-26 / 2026 season. The qualified Club must have written permission from the player's new Club and PTSO in order to include the player in their Team Delegation List for the 2026 PDP Championship. The returning player must be registered as "Additional Eligibility" in COMET with both a start date and end date.

24.4 Under extraordinary circumstances, Clubs may request permission to replace one player from the Team Delegation List who is injured within the last 21 days before the PDP Championship (specifically injured between 10-25 August 2026). The PTSO must provide written confirmation of the date of the player's injury accompanied by a medical certificate that confirms the player's injury.

24.4.1 Late injury replacements for the 2026 PDP Championship must be confirmed in writing by Tuesday 26 August at 15.00 (the team's local time).

24.5 Under special circumstances, a Club may request a call-up goalkeeper within the last 21 days prior to the start of the National Championships for either a reason other than an injury or because of an injury sustained after 25 August. This special request may be approved by the Chair of the Competitions Committee.

24.6 The criteria for a player to be eligible for a call-up request or late injury replacement request will be as follows:

24.6.1 Players must meet the age requirement outlined in Article 6 for the respective division of the PDP Championship in which they are competing;

24.6.2 Players must come from the Club's approved team(s), if such teams are in place;

24.6.3 Call-up players can not be selected from a team that has also qualified for another division of the PDP Championship taking place at the same time;

24.6.4 Players may start the 2026-27 season with a new Club and still participate at the 2026 PDP Championship with the Club in which

they qualified during the 2025-26 or 2026 season (in which case this call-up player must have written permission from their new Club, as approved by the PTSO);

24.6.5 Call-up players and late injury replacements must come from a lower level in the same age category or from the same competitive level in a younger age category;

24.6.6 Call-up players and late injury replacements must not come from a higher level, including but not limited to those players currently enrolled with Canada Soccer's National Development Centres or identified as nationally-carded athletes;

24.6.7 Players who have registered in an older age group can not be selected to play in their own age group (as an example, a U-15 aged player registered on a PDP U-16 or PDP U-17 team is not eligible to participate in the PDP U-15 Cup).

24.7 Once a registered player has been replaced by a call-up player, the replaced player can not participate in any PDP Championship in that same season.

24.8 Where a Club has exhausted its maximum number of call-up requests outlined in Article 24.2 a Club may submit additional call-up requests if their Team Delegation List has fallen below the mandatory threshold of 16 players. The Club, in conjunction with their PTSO, must provide in writing the reasons for their additional call-up request(s). Subject to meeting the criteria outlined, the Canada Soccer Call-Up Panel may, at their discretion, approve this call-up.

24.9 Clubs may not replace any registered players who wish to play at the PDP Championship, unless medical instructions indicate that the injured player(s) should not play.

24.10 Decisions taken by Canada Soccer regarding call-up requests are final, binding and not subject to appeal.

25.9 The youth curfew time may be extended if the Club is attending an official function which runs past the established time.

25.10 All Team Officials shall adhere to a curfew as set by their PTSO.

26. TROPHIES AND AWARDS

26.1 The Match Officials in each division that officiate the Final will receive a Gold Medal for the National Championships. All Match Officials as well as PTSO Representatives will receive a commemorative medallion from the PDP Championship.

26.2 A Most Valuable Player (hereinafter: “MVP”) will be selected in each division of the PDP Championship. The MVP will be selected from the winning Club after which they will be presented an MVP trophy at the Awards Ceremonies. Canada Soccer, in consultation with the winning Club, will confirm the MVP for each division.

26.3 The three medal-winning Clubs in each division will receive medals (either Gold, Silver or Bronze) only for members of their Team Delegation List.

26.4 The Winners’ Trophies presented to the winning Clubs at the PDP Championship remain the property of Canada Soccer. The winning Clubs are asked to take part in a post-celebration photo session with the Winners’ Trophy

(individual photos of each player with the trophy) after which the trophy will return to Canada Soccer's main office in Ottawa.

26.5 Whereby a member of the Team Delegation List has been dismissed before, during or after the last match in the PDP Championship, the Match Commissioner will have the discretion to decide if the person may participate in the Awards Ceremonies.

26.6 Whereby a member of the Team Delegation List has been suspended from their last match of the PDP Championship, that person may receive their medal during the Awards Ceremonies, providing that the period of suspension was completed at the end of the Club's last match.

26.6.1 In the event that a member of the Team Delegation List is serving a suspension that extends beyond their last match of the PDP Championship, the Match Commissioner will have the discretion to decide if the person will participate in the Awards Ceremonies. Whereby the person is not permitted to participate in the Awards Ceremonies, they shall receive their medal at a later time.

27. OFFICIAL FUNCTIONS
